

GAGAN - THE DESERVING INDIA

"Empowering future leaders"

Mains Practice Questions

1. Discuss the socio-economic impact of British colonial rule on India during the 19th and 20th centuries. How did British policies affect Indian agriculture, industry, and society?
2. Discuss the significance of the Ajanta caves in Indian art history. How do these caves reflect the development of Buddhist art in ancient India?
3. Talk about how biosphere reserves promote peace between nature and humans by striking a balance between sustainable development and nature conservation.
4. The Indian Supreme Court has acknowledged the right to be free from the negative consequences of climate change. Talk on the best ways for India to uphold this right in light of its current state of development.
5. Policies of the British Government like the Government of India Act 1935 and afterwards acted like fuel to fire for the partition of India. Do you agree? (250 words)
6. What do you understand by "basic structure" doctrine? Explain the evolution of this doctrine in India.
